

# The DAIS Tile Project

At our new home, 2102 Fordem Avenue, there is a very special wall that showcases words that are central to the values and mission of DAIS.

*JUSTICE*      *SUPPORT*      *Empowerment*  
*peace*      *COLLABORATION*      *Community*  
**One. And for all.**  
*compassion*      *HOPE*      *safety*  
*COURAGE*      *Respect*

Surrounding these words are clear glass tiles that will display the names of those who share our values and support our mission. These tiles may be purchased for \$1,000 and all funds raised through The DAIS Tile Project will support DAIS' mission. You can inscribe a message and your name and/or the name of someone you'd like to honor, if you so choose.

We are very excited to watch this wall expand and change. Our hope is that individuals, families, groups of friends or organizations will want to be part of this effort and decide to buy a tile. Each tile purchased will be meaningful in its own way, but the impact of this artful display will become more powerful when many tiles come together and enhance the message. The end result will be a work of art that is more than just cosmetic -- the thousands of people who see this piece over the years will know that the people who purchased a tile worked to ensure that victims of domestic violence have a safe place to go when they need it most.

When you purchase a tile to add to this wall, you will be demonstrating your support for the work that DAIS does, and that you stand with us in upholding values like hope, safety, justice and peace. For One. And for All.
