

## Open House Supply Drive List – Our Most Needed Items

On August 1, 2017, DAIS will open its doors to the community to celebrate the 3<sup>rd</sup> Anniversary in our new building on Fordem Avenue. Join us and participate in our Open House Supply Drive to support staff and clients with the day to day items they need the most.

Donations like these go a long way in ensuring DAIS can focus our resources on those that need it most, survivors of domestic violence and their families.
